

Is It Time to Renew Your OMA Membership?

The Outdoor Ministry Association is a group of people committed to connecting, enlivening, and supporting the dynamic ministry of the Church of the Brethren camps and outdoor ministry centers. This transformational work is supported through furthering a vision for camping in local congregations, districts and ecumenical groups, as well as promoting stewardship of the environment.

We believe that outdoor ministry offers persons of all ages opportunities to: grow in faith, appreciate God's creation, discover through environmental education, live in community with others, develop leadership skills, and become witnesses for peace.
